

# Break the Health Benefits Cycle

## With a Clinically Integrated Captive Solution\*

Promise Health Plan was created by clinical professionals who saw a need for a turnkey, end-to-end, clinically integrated captive solution. Our goal is to empower small to mid-size employers to become or remain self-funded by providing them with access to affordable and high-quality health benefits.

### We check all the boxes

High-performance captive solution backed by best-in-class infrastructure	<input checked="" type="checkbox"/>
End-to-end, turnkey solution that includes all underwriting operations, plan administration, PBM integration, cost containment solutions and access to Promise Health Plan's Clinically Integrated Network	<input checked="" type="checkbox"/>
Established by Prisma Health, South Carolina's largest health care organization	<input checked="" type="checkbox"/>
Combined group buying power allows access to the benefits and discounts that larger companies receive	<input checked="" type="checkbox"/>
Opportunity to pool risk with other like-minded businesses	<input checked="" type="checkbox"/>
